

CHAPMAN COMMUNITY BOOK CLUB

The Positronic Man

by Isaac Asimov and Robert Silverberg

In collaboration with Wilkinson College's Interdisciplinary Series, **Interstices 2018: Beyond Human**, the Leatherby Libraries invites you to participate in a book club on *The Positronic Man*. Join us as we celebrate the 25th anniversary of this novel by discussing the work of these seminal science fiction writers to examine the relationships between robots and humans.

Meeting Dates and Times

Thursday, February 1 • 12 p.m.

Center for American War Letters
Leatherby Libraries, Lower Level

Thursday, February 8 • 5 p.m.

Center for American War Letters
Leatherby Libraries, Lower Level

Book Club Bonus

Book club participants will have the option of reserved seating at the event *Beyond Human: Emotion and AI*, featuring Lisa Joy, co-creator of *Westworld*.
February 13, 2018
Memorial Hall • 7 p.m.

Space is limited. To register for a meeting date, contact Esther Shin at eshin@chapman.edu or 714-532-6027. For those who are unable to attend these discussions in person, virtual streaming will be available through Adobe Connect.

For more information contact:
