

IN HONOR OF

VERNON ADAMS

FREE FONT DESIGNER

ITEMS ON DISPLAY OCT 10–DEC 1, 2018

Chapman's graphic design students designed posters using fonts from Vernon Adams and are creating their own fonts inspired by his work. Allison Adams also came to speak about her late husband's legacy and memory. This font, Oswald, is featured in more than 5,300,000 websites and 51 free Google Font Families are available. Vernon's philosophy was to make fonts free to all. This case also holds his typography books.

You can learn more about him at sansoxygen.com
